Community Relations

Student Blood Donations

1. Purpose and Scope

To implement Board Policy 1321.1 and to provide guidelines for blood donation activities involving students at any district site.

2. Regulation

- A. Schools are authorized to cooperate with the American Red Cross in conducting blood donation activities for both staff and students.
- B. Procedures shall provide for immediate notification to the school nurse of any student who experiences faintness or illness during the donating of blood and the nurse will notify the parent.
- C. All students shall present either identification with proof of 18 years of age or a signed parent permission prior to being allowed to donate blood.
