Responsibility of the Governing Board

The Governing Board's prime functions are the formulation of policies and judgment of results.

Members of the Board, individually or collectively, recognize and welcome their responsibilities for listening to comments and suggestions from the residents of the school district.

Board members individually will refer compliments, suggestions, and constructive criticism about operational matters directly to the Superintendent for appropriate consideration and action. Comments affecting policy will be routed through regular channels to the Board meeting agenda for consideration by the Board as a whole.

No Board member individually will speak for, or in the name of, the total Board.
(cf. 9000 - Role of the Board and Members)
