Complaints Concerning the Schools

Constructive criticism of school policies, programs, or personnel is welcome when it is motivated by a sincere desire to improve the quality of the educational process and to assist the schools in performing their tasks more effectively.

The Governing Board encourages the resolution of all complaints, if possible, at the earliest possible stage and in the most effective manner. All complaints shall be submitted in accordance with the procedures adopted by the Board. In so doing, all complaints will be assured of receiving appropriate review and consideration. If it appears necessary, a meeting of the Board may be requested and convened for the purpose of fuller study and the rendering of a decision on the complaint.
