Administration

Concept and Roles in Administration

The Superintendent is responsible for directing and coordinating the administrative staff in implementing the educational philosophy, goals and general objectives adopted by the Governing Board within the guidelines established by Board policy, law and employee agreements.

To demonstrate leadership and resolve the problems and obstacles that may arise both inside the school system and in its relations with the community, the Board expects the administration to be competent in:

1. The processes of decision-making and communication.
2. Planning, organizing, implementing and evaluating.
3. Coordinating and guiding the various centers of power within the school system and the community in order to improve the quality of education.

The Superintendent is encouraged to conduct the operations of the school system according to the management team concept.
