Tear Gas Canisters

1. Purpose and Scope

To provide procedures and guidelines for the carrying and use of tear gas canisters.

2. Regulations

- A. Individual employees desiring to carry tear gas dispensers may exercise their civil right to do so if they comply with all applicable regulations established for the certification and use of such materials.
- B. Individual employees must assume full responsibility for the care and use of tear gas canisters, as well as satisfactorily completing the required training.
- C. The district will not be responsible for training, possession or use of tear gas canisters by district employees, except for authorized public safety officers.
- D. The qualification for, possession and use of tear gas dispensers by public safety officers (peace officers) will be as authorized by appropriate district authority and will be consistent with state law and within the duty requirements established by the public safety officer job classification.
