Transportation Routes and Services

The Superintendent or designee shall design transportation routes and stops within district boundaries that promote student safety, and maximum efficiency in the use of buses.

With the Governing Board's authorization, transportation services may be provided or arranged by the district for:

1. Field trips and excursions (Education Code 35330)
2. School activities, expositions or fairs, or other activities determined to be for the benefit of students (Education Code 39860)
3. District employees, parents/guardians, and adult volunteers traveling to and from educational activities authorized by the district (Education Code 39837.5)

The district shall provide home-to-school transportation and additional transportation services as needed for students with disabilities as specified in their individualized education program or Section 504 plan. (Education Code 41850; 20 USC 1400-1482; 34 CFR 104.4, 300.17, 300.34)

The Superintendent or designee shall provide transportation to homeless students in accordance with law, Board policy, and administrative regulation. When the student resides outside of district boundaries, the Superintendent or designee shall consult with the superintendent of the district of residence to apportion the responsibility and costs of transportation. (42 USC 11432)
