Business and Non-Instructional Operations

Concept

Business Operations

The Governing Board recognizes that money and money management comprise the foundational support of the entire school program. To make that support as effective as possible, the Board intends to:

1. Encourage advance planning through the best possible budget procedures.
2. Explore practical sources of dollar income.
3. Guide the expenditure of funds so as to extract the greatest educational returns.
4. Expect top-quality accounting and reporting procedures.
5. Maintain the level of per student expenditure sufficient to provide high quality education.

Non-Instructional Operations

All staff shall be responsible for maintaining a healthy environment in support of the educational program. Accordingly, high standards of safety shall be maintained in the operation and maintenance of school facilities, grounds, equipment and services.

In order to provide services that sufficiently support the educational program, the Board establishes the following goals for all non-instructional operations:

1. To provide a physical environment for teaching and learning that is safe and pleasant for students, staff, and the public.
2. To provide resources, facilities and assistance to meet the needs of the educational program.
3. To provide safe transportation for eligible students.
4. To make nutritious meals available to students.
