## Business & Non-Instructional Operations

### Security

Public safety personnel of the district, under the direction of the department head/principal, when assigned and duly sworn, are peace officers in accordance with section 830.4.6 of the Penal Code and section 39670 of the Education Code.

Public safety personnel when assigned will work to ensure the security of school district personnel and pupils in or about school district premises and the security of the real and personal property of the school district, and cooperate with local law enforcement agencies in all matters involving the security of personnel, pupils, and real and personal property of the district. School district public safety personnel shall be supplemental to local law enforcement agencies and shall under no circumstances be vested with general police power.
