Business and Non-Instructional Operations

Transportation

The school district will provide transportation for pupils under the provisions of state law and regulations.

Reasonable Walking Distance

Reasonable walking distance is established at four miles except for physically or mentally handicapped students as determined by the Superintendent or his/her designee.

Incoming freshmen students who live more than 4 miles from their home attendance school may opt to transfer to another closer school in the district as determined by the district. Freshmen who qualify for this option will be granted athletic eligibility at the transfer school.
