It is the intent of the Governing Board of the Huntington Beach Union High School District to encourage public participation and awareness of school district programs and activities through direct personal contact with individuals and community groups. The Governing Board of the Huntington Beach Union High School District believes that the serving of refreshments at district activities facilitates communication and increases public participation in district sponsored meetings, events and activities.

The Governing Board hereby authorizes the Superintendent or his designee(s) to approve expenditures for refreshments at district activities and to establish regulations that will ensure that these expenditures are reasonable, that they are budgeted and, for categorical projects, that project guidelines allow such expenditures.
