Management and Confidential Personnel

Promotion/Demotion/Reclassification

The Board of Trustees may promote, demote, and reclassify certificated and classified management employees when such action is determined to be in the best interest of the district.

All decisions concerning promotion, demotion, and reclassification shall be based upon the recommendation of the Superintendent.

The Superintendent shall maintain procedures for the promotion, demotion, and reclassification of management employees (certificated and classified) which assure compliance with all applicable statutory deadlines and procedures.
