Absences and Excuses

The Governing Board believes that regular attendance plays an important role in student achievement. The Board shall work with parents/guardians and students to ensure their compliance with all state attendance laws and may use appropriate legal means to correct problems of chronic absence or truancy.

Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law, Board policy and administrative regulations. (Education Code 48205)

Inasmuch as school attendance and class participation are integral to students' learning experiences, parents/guardians and students shall be encouraged to schedule medical and other appointments during non-school hours.

At the beginning of each academic year, notifications shall be sent to the parents/guardians of all students, and to all students in grades 9 through 12, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. (Education Code 46010.1)

Students shall not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or , as authorized pursuant to Education Code 46010.1, for a confidential medical appointment.

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to the law and administrative regulations. (Education Code 46014)
