Release of Directory Information

The Governing Board recognizes the importance of maintaining the confidentiality of directory information and therefore authorizes the release of such information only in accordance with law, Board policy, and administrative regulation.

The Superintendent or designee may release student directory information to a nonprofit organization in accordance with Board policy and administrative regulation.

The Superintendent or designee may limit or deny the release of specific categories of directory information to any public or private nonprofit organization based on his/her determination of the best interests of district students.

Colleges and prospective employers, including military recruiters, shall have access to directory information. Military recruiters shall have access to a student's name, address, and telephone number, unless the parent/guardian has specified that the information not be released in accordance with law and administrative regulation.

Under no circumstances shall directory information be disclosed to a private profit-making entity, except for representatives of the news media and prospective employers, in accordance with Board policy. Private schools and colleges may be given the names and addresses of 12th-grade students and students who are no longer enrolled provided that they use this information only for purposes directly related to the institution's academic or professional goals.
