Students

Conduct

The Governing Board recognizes the right of students in our schools to be protected from the undesirable effects of those about them that are unable to achieve and maintain satisfactory standards of citizenship. The students, in turn, are obligated to abide by the school controls set up for the protection of the rights of all.

Through the Superintendent, all personnel are held responsible for proper conduct and control of students while under legal supervision of the school. The Board will support all personnel acting within the framework of district policy.
