Release of Students

1. Purpose and Scope

In accordance with established rules, procedures and law, this administrative regulation provides procedures for release of students from the district's schools.

2. Regulation

- A. A student is to be released from school during school hours only upon parental request and to persons authorized by the parent whom the principal believes to be bonafide. Every precaution is to be taken to make sure that a responsible person makes a telephone request for a student to be sent home before the pupil is permitted to leave school.
- B. In the case of marital difficulty where one parent provides evidence of legal custody granted by the court and has requested that his/her child not be permitted to leave with the other parent, his/her request is to be enforced.
