Students

Responsibility for District Property

The Governing Board desires to create a safe and secure learning environment and to minimize acts of vandalism and damage to school property. To discourage such acts, the district shall seek reimbursement of damages, within the limitations specified in law, from any individual, or from the parent/guardian of any minor, who has committed theft or has damaged district or employee property.

Rewards

When district or law enforcement officials have not been able to identify the person(s) responsible for the theft or vandalism of district property, the Board may authorize a reward for the identification and apprehension of the responsible person(s). The Board shall determine the appropriate amount for the reward.

The Superintendent or designee shall disburse the reward when the guilt of the person responsible for the act has been established by a criminal conviction or other appropriate judicial procedure.
