\* All curriculum related clubs must relate to the body of courses offered by the school and be approved by the District Instructional Council. A club directly relates to the school's curriculum, if the subject matter of the club is actually taught, or will soon be taught, in a regularly offered course; if the subject matter of the club concerns the body of courses as a whole; if participation in the club is required for a particular course; or if participation in the club results in academic credit.
