## Instruction

### High School Exit Examination

The Governing Board desires to ensure that district students who graduate from high school can demonstrate grade-level competency in reading, writing and mathematics and are given the opportunity to learn the subjects covered in the high school exit examination.

The Superintendent or designee shall ensure that district programs and services, including but not limited to, instructional materials, staff development and remediation programs are aligned with the exit exam.

The Superintendent or designee shall administer the high school exit exam in accordance with law.

Students may be allowed to take the exam with variations, accommodations and modifications in accordance with law and administrative regulation.

Students who do not demonstrate sufficient progress toward passing the exit exam shall be provided supplemental instruction necessary to assist the student to succeed on the exam.
