Remuneration and Reimbursement, Other Benefits

Remuneration

The Governing Board hereby specifies that each member of the Board may receive a base of \$400 per month as compensation for services rendered. Effective beginning the 2005-06 school year, this stipend shall be increased 5% a year as stipulated in Education Code Section 35120(e). If a member does not attend all meetings of the Board during any month he/she shall receive an amount not greater than the maximum amount permissible divided by the number of meetings held and multiplied by the number of meetings actually attended. Should any member be absent performing designated duties of the school district, or in cases in which a member is absent due to illness fewer than three times in any calendar year, the Board may, by resolution, provide that said member be paid as if the member were present in the meeting. It is understood that it is not incumbent upon any member to accept payment. Student Board members shall not receive remuneration. (Education Code 35120)

Reimbursement of Expenses

Members of the Board shall be reimbursed for all allowable expenses incurred in attending any meetings or in making any trips on official business of the school district when so authorized in advance by the Board. (Education Code 35044)

The rate of reimbursement shall not exceed any limitations specified for the Superintendent or district personnel. (cf. 4133 - Travel; Reimbursement)

Health and Welfare Benefits

Governing Board members may participate in the health and welfare benefits program provided for the employees of the district.

The district shall pay the cost of all premiums required for Board members electing to participate in the district health and welfare benefits program.

Remuneration and Reimbursement, Other Benefits (continued)

Retired Board Members

Any members retiring from the Governing Board shall have the option to continue the health and welfare benefits program if coverage is in effect at time of retirement.

Board members shall participate in the district health and welfare benefits program at their own expense. The cost of the benefits shall not exceed 102% of the cost charged to other employees.

Board members must decide to continue paying health and welfare benefits when they retire.

The insurance shall provide full benefits for retired Board members up to the age at which they become eligible for Medicare/Medicaid, and after that shall cover only those eligible expenses not covered by Medicare or Medicaid, or other health insurance programs.

The Superintendent is directed to negotiate the coverage indicated above with the insurance carrier.
